

News from the Missions of San Luis Colorado River, Sonora, Mexico.

Greetings in the name of our Lord Jesus Christ.

I am pleased to greet you all and to inform you that the missionary work in our city continues.

This month alone, I have dedicated my efforts to the Independence mission since the budget is somewhat adjusted in order to carry out the missionary work in all the rural areas.

I am praying that the Lord provides all the means necessary to carry it out. This month we had to stretch the funds to help our brothers with some beans and rice. This is great support for them since work in the fields begins to diminish this time of the year.

By the grace of God, we had a visit this month from our brother in faith Donald Smidt, who shared in our blessings in which we could also distribute amongst our brothers from our Church. We also received a visit from our brother Brent.

Members of the congregation repaired part of the roof at the San Mateo Church. We continue praying to the Lord so that the missionary work thrives in our town. That His strength and breath remain in us, not boasting our own efforts, but glorifying in Him and His love for us.

We are happy by how much the mission has grown in the last few days. This is cause for joy and jubilation.

We are also praying for the need of an accordion since a member from our Church in Independence knows how to play this instrument and we are trying to form a small praise group in the town.

Faithfully in the precious name of our Lord Jesus Christ,  
Your Christian brother of our beloved Lord.

Job Jiménez
